**The advantages of Solar colorful Christmas decoration string light:**

Solar LED light string is a decorative lamp composed of several LED lights powered by solar energy.

The luminaire uses high-efficiency solar panels that convert solar energy into electrical energy and store it in a built-in battery for LED lighting.

Unique light control technology ensures that the lamps are automatically charged during the day and automatically lit at night.

The company has passed BSCI, ISO 9001:2008 quality management system certification.

We work with Aldi, Costco, Lowe's, Walmart, Amazon, etc.

We reply to the mail in 2 hours, complete the design in 1 to 3 days, and send samples in 1 to 5 days
